2) Fetch the beer  
Who'll fetch the beer?  
Grab a fiver off yer hubby  
Go grab us a stubby  
And this noise can disappear

3) Fetch the beer  
Who'll fetch the beer?  
We won't disperse  
'Till you've quenched out thirst  
So who will volunteer?

4) Fetch the beer  
Who'll fetch the beer?  
Just put down your coffee  
Go grab us a frothy  
And we'll get out of here

5) Fetch the beer  
Who'll fetch the beer?  
For just one ale  
We'll happily bail  
So let's not take all year
